ARTICLE 22: LAY-OFF/SENIORITY

- 22.01 The Division will provide a seniority list to the Association by March 31 of each year.
- 22.02 When it is determined by the Board that a lay-off is necessary and where natural attrition, transfers, sabbaticals and leaves of absence do not affect the necessary reduction in staff, the Board shall develop a seniority list as hereinafter provided. Such a list shall contain the names of those tenured teachers having the least seniority identified in sufficient numbers to enable the Board to lay-off the required number of teachers after taking into account the special subject, program and administrative needs of the Board. The Association and the teacher shall be permitted a period of ten (10) teaching days after posting of such list to protest in writing to the Board any alleged omission or incorrect listing, but such protest shall be confined to errors in or changes occurring since the posting of the first seniority list.
- 22.03 Notwithstanding the foregoing, the Board shall have the right to disregard the length of service of any teacher in the event of a lay-off, if such teacher does not have the necessary training, academic qualifications and experience for a specific teaching assignment.
- 22.04 **Definitions**
- A. **Training:** Instruction received as preparation for the profession of teaching which leads to the development of a particular skill or proficiency with respect to a particular subject or subjects.

- B. **Academic Qualifications:** Refers to the classification in which the teacher is placed by the Teachers' Certification and Records Branch of Manitoba Education and Training.
- C. **Experience:** The practical applications of the training over a period of time with respect to the particular subject or subjects.
- D. **Length of Teaching Service:**
1. Seniority for the purpose of this policy is defined to mean the length of continuous teaching experience from the date of last hire with the Division on a current Form 2 contract or Teacher General Contract.
 2. Where the teachers have the same length of continuous teaching experience, the order of the seniority list shall be determined on the basis of total length of employment with the Division.
 3. Where teachers have the same seniority as defined in 1. and 2., the order of seniority shall be determined on the basis of total teaching experience recognized by the Province of Manitoba for classification purposes.
 4. If the length of teaching experience as defined in 1., 2., and 3. is equal, the teacher to be declared surplus shall be determined by the Board.
- 22.05 In the event of a lay-off, the Board shall meet with the Executive of the Association to discuss the implications of the lay-offs and shall provide the Association with a list of teachers to be laid-off.
- 22.06 Notice of lay-off and a copy of this article shall be given to the teacher by registered mail no later than the first day of May of any school year. The teacher, within ten (10) teaching days of receiving notice of lay-off, shall indicate, in writing of his/her wish to be placed on the re-employment list. Notwithstanding anything else in this article, failure to respond within the time limit specified in this paragraph shall relieve the onus on the Division for that teacher's placement on the re-employment list and the teacher shall lose seniority.
- 22.07 If after lay-offs have occurred and for a period of one calendar year after the 30th day of September following the date of lay-off, teachers who have been laid-off and have given notice by registered mail under paragraph 22.06 above shall be offered the position first as it becomes available, when positions become vacant provided such teachers have the necessary training, academic qualifications and experience for the positions available. Length of teaching service with the Board will be used to determine the order in which the laid-off teachers are offered the available positions provided that said teachers have the necessary training, academic qualifications and experience.
- 22.08 It shall be the responsibility of the teacher to report an address to which a recall notice can be delivered. Recall notices will be delivered by registered mail to the last reported address given by the teacher and a teacher who is recalled from lay-off shall be required to indicate, notwithstanding any other time limits in this policy, within 15 teaching days of the registered letter being sent, his/her intent to return to work and shall be required to return to work on the date set out in the notice which shall not be less than one month's calendar days following such notification, unless by written mutual agreement.
- Failure to respond within the time limits specified or agreed to shall relieve the onus on the Division for that teacher's placement on the re-employment list and he/she shall lose seniority.
- 22.09 A teacher will retain and accrue seniority if absent from work because of:

- A. illness or accident up to the maximum days accumulated under the provisions of the Collective Agreement;
- B. a leave of absence up to thirty (30) calendar days;

- C. absent because of illness or accident for more than the maximum number of days accumulated under the provisions of the Collective Agreement;

- B. the teacher fails to return to work after the termination of any leave granted by the Board;
- C. the teacher is not re-employed within one (1) calendar year after September 30th following the date of lay-off;
- D. the teacher's contract is terminated for cause;
- E. any teacher on the re-employment list who refuses to accept a position for which the teacher has the necessary training, academic qualifications, and experience to perform the work in the position offered shall forfeit all right of seniority and re-employment.

A teacher who has lost seniority as a result of the application of this article shall be notified as soon as possible that his/her teaching contract has been terminated.

- F. the teacher is employed by another School Board on a regular basis and on a Form 2 contract or Teacher General contract.

22.12 If the Board terminates the contract of a teacher because that teacher is surplus, the Board shall, at the request of the teacher, provide him/her with a letter to this effect.

22.13 Notwithstanding any other provisions of this article, the lay-off provisions shall not apply to teachers who are not tenured or to teachers employed on a fixed term contract where during that term the teacher is employed on the express written understanding that such teacher will not, after the completion of such term, be employed by the Division.

Tenure means the status of a teacher as defined in Sections 92(5) and 92(6) of the Public Schools Act, who is continuously employed by the School Board for more than one full school year or who was employed by one other School Board in the Province for more than one full school year within three years prior thereto.

ARTICLE 23: DISCIPLINE

23.01 The imposition of discipline without just cause by the Division or any agent thereof in the form of written warning(s) and/or suspension(s) with or without pay shall be subject to the following provisions:

- A. Where the Division or person(s) acting on behalf of the Division so disciplines any person covered by the Collective Agreement and where the affected person is not satisfied that the discipline is for just

cause, the Division's action shall be deemed to be a difference between the parties to or persons bound by this Collective Agreement under Article 20 - Settlement of Differences.

- B. When such a difference is referred to a Board of Arbitration under Article 20, the Board of Arbitration shall have the power to:
1. uphold the discipline
 2. rescind the discipline

 4. order the Board to pay all or part of any loss of pay and/or benefits in respect of the discipline
 5. do one or more of the things set out in subclause 1, 2, 3 and 4 above.
- C. The written warning(s) shall not include Teacher Evaluations done pursuant to Division policy and practices and amendments thereto, except where the implementation of said policy against a person covered by this Collective Agreement is for the purpose of disciplining said person.
- D. The Association agrees that the Division or any agent thereof has the right to suspend an employee with or without pay for just cause.

ARTICLE 24: TERM CONTRACTS

- 24.01 A teacher who has been employed full time or part time in the Division under a Limited Term Teacher – General contract for two (2) successive entire school years and who subsequently is employed under a Teacher - General contract shall be deemed to have been employed under a Teacher - General contract since the commencement of his or her successive duties under a Limited Term Teacher - General contract, and shall be entitled retroactively to seniority.
- 24.02 Sick leave earned but not utilized, while employed on a term contract, may be carried forward to employment under a Teacher - General or subsequent Limited Term Teacher - General, only in instances where employment on a Limited Term Teacher - General has been continuous and there has been no break in service. For the purpose of this clause, a continuous Limited Term Teacher - General contract will be employment with the Division under the Limited Term Teacher – General contract where there has been no break in service between one Limited Term Teacher – General contract and another Limited Term Teacher - General contract or Teacher – General contract. For further clarity, the summer, winter and spring breaks do not constitute a break in service provided that the teacher has a summer, winter or spring break and a Limited Term Teacher – General or Teacher - General contract is in force and in effect the first teaching day following that summer, winter or spring break.

- 25.01 Effective September 2015, a teacher who participates in extra-curricular activities shall be entitled to a paid leave of absence of one (1) day per school year, non-cumulative provided that at least fifty (50) hours of extra curricular duties are performed in that school year. A teacher who participates in an additional fifty hours (a total of 100 hours) of extra curricular duties shall be entitled to a second day of paid leave of absence per school year. Extra-curricular Hours in a school year that are less than fifty (50) can be carried over to the following school year and can be combined with hours earned in the subsequent school year in order to reach one day of extra-curricular leave. However, those carried over hours expire at the end of the following year.
- 25.02 A part time teacher shall be entitled to the equivalent time off as that of a full time teacher.

- 25.03 In the case where the teacher accumulates sufficient hours to qualify for a day of leave in any school year, the teacher may choose to take the day in the following school year. The maximum leave allowed to be carried over by a teacher to the next school year shall be one day.
- 25.04 An extra-curricular activity is an activity which has received prior approval from the school principal. In areas where a question arises regarding whether an activity would qualify under this clause, the school principal will consult with the Superintendent.
- 25.05 Leave taken under this article shall not be taken on parent teacher days, professional development days, or administrative days unless the Division has expressly given consent to do so by the Superintendent.
- 25.06 This leave is contingent on the Division finding a replacement teacher. Prior notification must be submitted in writing to the teacher's principal for extra-curricular leave.
- 25.07 Said leave is on a first come first served basis and must be taken in no less than half-day increments.

ARTICLE 26: PART-TIME TEACHERS
